About Us

Femsa Global Trading Limited is an agile and forward-looking trading company dedicated to meeting diverse client needs with efficiency, reliability, and value creation. We exist to help businesses minimize costs, reduce waste, shorten lead times, and ultimately maximize profitability. Our approach is built on lasting partnerships, global reach, and a commitment to deliver solutions that make measurable impact on our clients' bottom line.

With a strong focus on operational excellence, we provide end-to-end sourcing, procurement, and delivery services that enable our clients to focus on their core business while we handle their supply chain requirements with precision and care.

Vision

To become a world-class trading company recognized for driving value, building lasting relationships, and consistently exceeding client expectations.

Mission

To be the trusted global trading partner that helps clients unlock higher profits by delivering cost-efficient, timely, and reliable solutions tailored to their unique needs.

Core Values

Integrity:
We conduct business with honesty, transparency, and respect.

Efficiency:
We are committed to eliminating waste, reducing costs, and improving speed to market.

Partnership:
We focus on building long-term relationships based on trust and shared growth.

Customer Success:
We measure our success by the value and profit our clients gain.

Innovation:
We embrace smart solutions and advanced systems to enhance service delivery.

Key Performance Indicator

Our primary KPI is simple yet powerful; ensuring that every client achieves higher profitability by partnering with us. We measure our performance by the tangible savings, operational efficiency, and profit growth realized by our clients.

What Makes Femsa Global Different

We are different, We add Value

- Proven ability to reduce costs, eliminate waste, and speed up deliveries.
- Strong commitment to transparency, accountability, and quality service.
- Global network of trusted suppliers and partners.
- Focus on long-term relationships that deliver sustained value.
- Tailored trading solutions aligned with specific business needs.
- Data-driven market intelligence that empowers informed decisions, mitigates risk, and enhances competitive advantage.

Your Reliable Source for Industrial Solutions
One Partner, Unlimited Reach

At FEMSA Global Trading Limited, we invite you to partner with us as a trusted long-term collaborator, whether as a supplier or an industrial customer in the category of your choice. Under our umbrella, you gain more than just selling or purchasing; you gain confidence, reliability, and a partner committed to your success. We combine expertise, innovation, and global reach to deliver solutions that transform opportunities into achievements and challenges into success stories. Together, we build partnerships founded on trust and excellence, driving sustainable mutual growth with truly unlimited potential.

Leadership & Team

MD & CEO (Chief Executive Officer)

Provides overall leadership and direction to the company.
The MD & CEO guides the company's growth, fosters strong partnerships, and ensures that our solutions consistently create real value for our clients and stakeholders.

COO (Chief Operating Officer)

Ensures smooth and reliable service delivery every day. The COO coordinates sourcing, procurement, and logistics to make sure clients receive the right products on time and at the best efficient possible cost, with a focus on consistency and satisfaction.

CCO (Chief Commercial Officer)

Drives customer growth and value.
The CCO works closely with clients to understand their needs, develop the right solutions, and create opportunities for long-term, mutually rewarding partnerships

CFO (Chief Financial Officer)

Maintains financial stability and transparent business practices.
The CFO manages budgeting, pricing, and financial planning to ensure our operations remain efficient, accountable, and supportive of long-term client relationships.

Client Relations & Business Development

Focuses on client care and partnership strengthening. This role ensures every client receives attentive support, timely response, and solutions tailored to their specific goals; nurturing trust and continuous collaboration.

CLO (Chief Legal Officer)

Supports ethical, compliant, and secure business operations.
The CLO ensures that agreements, regulatory requirements, and trade processes are handled with clarity and fairness, safeguarding both the company and its partners in every engagement.

Message from the Managing Director & CEO

At Femsa Global Trading Limited, we believe progress is measured by the value we help our partners create.

In an increasingly competitive global market, we invest in providing reliable, effecient, technology-driven trading solutions that reduce operational cost, enhance productivity, and unclock new growth opportunities. We do not trade in products alone, we trade in solutions, trust, and long-term value.

As we expand our global footprint, our focus remains on building enduring partnerships with manufacturers, distributors, and institutional buyers who share our commitment to excellence.

Your success is our purpose!
